Amenities at JEC

The Campus

The campus provides an ideal atmosphere for academic pursuits. Spread over a sprawling 17 acres of land, is picturesque and peaceful. JEC provides an excellent ambience conducive for fruitful engagement of learners and faculty. The college is well connected with Jaipur-Delhi Highway.

The Classrooms

We at JEC ensure a uniform and balanced distribution of space and resources. Classrooms are spacious, well ventilated with natural light and adequate electrical facilities. Well designed furniture, teaching aids like projector etc. are used in teaching learning process.

Library

As a physical core to campus, the library provides an environment for discovery, reflection & expansion of knowledge intending to incorporate to the latest technology & adopt user friendly approach towards students.

Digital Library

Equipped with multimedia systems with dedicated broadband internet, Digital Library comes up with subscription of online journals namely ASTM Digital Library, J-Gate, ASCE, IEEE, Springer, Wiley and Elsevier, with which students are exposed to the state of the art technologies in the field of Engineering and Technology. JEC has its own NDLI (National Digital Library of India) club and students are its member. Its membership gives you the advantage of access of thousands of books from various IITs and other reputed institutions of India.

Soft Skill Training & Personality Development

The college has taken personality development programme as a regular feature of curriculum. The soft skills and personality development programme for students at JEC aims at developing skilled graduates who would match industry expectations in terms of employability skills. JEC also aims at building proficiency in English language & effective communication skills. With this training students will strengthen their employability skills and would be able to emerge as successful candidates for employment opportunities and their professional challenges.

Auditorium

JEC has a well equipped auditorium with a seating capacity of over 500 people that is a regular venue for conferences, workshops and seminars. This auditorium has all the AV facilities to enhance the learning process and is a vast space that provides our students to exhibit their talents in cultural activities.

GAMES AND SPORTS: (FORUMS OF CULTIVATING TEAM SPIRITS)

JEC has taken a step forward in ensuring that the students produced are both mentally and physically fit. As sports are the integral part of healthy and confident growing up, students are encouraged to participate in the sports of their interest.

A soccer field, a tennis court, basket ball, volley ball courts, squash courts and gym facility exist in the campus apart from a host of other facilities for indoor and outdoor games. Qualified & trained physical education teachers are available for students who need a helping hand.

Hostels, Food Courts and Messes

Residential facilities are available with well furnished hostels for boys & girls separately located within the college premises with round the clock services for the safety and security of students.

The facilities also include well-ventilated reading room & television. The Gym, Squash Court and associated features in this modern complex offer world-class facilities.

Cafeteria: The Food Court in the campus

Spacious, airy & trendy cafeteria of JEC offers students to break free from their arduous schedule & enjoy appetizing food in an extremely pleasant ambience. The homely atmosphere and aroma of delicious food permeates the air as they eat, drink and chat. It remains a focal place of the students for rest & refreshment. A variety of hygienic food and savories are provided in the cafeteria for those intended in quick bite between classes.

Another Milestones of JEC Group, A Trusted Name In Quality Education

Industrial / Institutional Tie-Ups

As we say, we act & associate only with the best. This is not just a slogan but an ideological action that takes us in a right path. The IIC committee of the college takes up activities to enhance the scope of interaction with industries.

Linkages with professional Institutions / Associations/ Societies

Some of the professional associations/ societies, where we have established a link through faculty membership and striving with a great deal of effort to collaborate additionally.
